

**May Physical Elevation,  
Mental Levitation and  
Spiritual Meditation  
Focus my Vibration,  
Bring Guided Inspiration,  
Extra Sensory Perception  
of the Web of Life Connection  
and the Miracles of Creation.  
May my Purpose and Livication  
be for Holistic Integration,  
Alchemistic Transformation  
and Joyful Manifestation  
of Peaceful Unification  
with Nation alongside Nation  
and the Conscious Recreation  
of Heaven on the Earth  
Onelove Livity Civilisation.**
